SMS - FAST AND EASY ?!?

only available @ www.freewebs.com/mooncloud217

It was Friday, and I had no plans for Saturday - which is unacceptable, of course!
Hi, Hay Hey! Do you have any plans for tomorrow? Would you like to go to the movies and watch The Killer Tomatoes and have a Pizza after that?
Hi, Irma! That sounds nice! Maybe we should ask the others if they are feeling up for it? I know that Will and Corny talked about doing some afternoon shopping!
Okay, I`ll send them an SMS and ask if they want to come. Could you ask Taranee?
Yeah, I can do that! I`ll send you an SMS when I hear from her!

HERE'S SOMETHING I'VE BEEN THINKING A LOT ABOUT LATELY... WOULDNT IT BE NICER, AND ALSO GO MUCH FASTER TO JUST PICK UP THE PHONE AND MAKE A CALL? POOH!
